## Happy New Year!

### Ringing in the New Year at Iffley!

The tradition of signalling the dying embers of the old year with the bells half-muffled and ringing in the New Year with twelve strokes of the tenor followed by open ringing has continued unbroken every year at Iffley

since Laurie Busby introduced it to the tower half a century ago. This year we were fortunate to host 27 people, 16 of them ringers and the rest interested visitors. Our thanks go to the Marston ringers and Garth Porter for joining us and to Donna Murphy for bringing champagne!

### Cowley Festival of Christmas Trees – 2013

The Festival was open from the 6<sup>th</sup> - 15<sup>th</sup> December in **St James Church**, Beauchamp Lane in Cowley. For its third year, the festival grew from a single weekend to 10 days and attracted 42 trees from Parish and community groups – schools, churches, businesses and clubs. It included an opening reception for participants, a Jazz and Gospel concert, live music during opening times, a family fun day and a closing carol service.

The trees stayed in place to decorate the beautiful ancient church over the Christmas season. The proceeds from the £2.00 entry fee, concert ticket sales and donations are shared between 'ROSY' and 'SeeSaw' - two small Oxfordshire charities supporting children in difficult circumstances who will receive £500 each.

**Planning is about to start once again for the Cowley Festival of Christmas Trees 2014!**
